

## **Town of Litchfield Inspector**

The Town of Litchfield is seeking an individual to serve in a full-time capacity as a Building, Health and Code Enforcement Inspector. This position is responsible for review of building construction plans, issuing permits, inspecting work for compliance with all applicable codes and standards. Investigate complaints of Building, Fire, Health Codes and Town zoning ordinance violations. The position requires a strong background in building, health and fire codes with experience in plan reviews, electrical and mechanical system installations. The individual must possess strong interpersonal and communication skills, have at least 5 years in the building trades or inspection field and familiar with municipal zoning concepts. ICC Certifications required to be obtained within a specified timeframe. Position is subject to thorough background investigation and reference checks. The Town offers competitive benefits and salary based upon qualifications. This is a non-exempt hourly weekday position with occasional evening and weekend hours as necessary. Resume and cover letter with three professional references will be accepted via email (pdf format) to [chief@litchfieldfd.com](mailto:chief@litchfieldfd.com) until Friday July 19, 2019 at 4 p.m. The Town of Litchfield is an EOE. Questions may be directed to [chief@litchfieldfd.com](mailto:chief@litchfieldfd.com).
